Subject: Invitation to "Versioning" by Epsilon Pi

Respected sir,

We, the team Epsilon Pi, are writing to formally invite you to be the Guest of Honor at our upcoming event, Versioning.

Versioning will be held on 2<sup>nd</sup> March 2024, from 10:00 am to 4:20 pm at Nalanda Auditorium. This interactive workshop aims to equip participants with the essential knowledge and skills in prompt engineering, a powerful technique for guiding large language models, and GitHub, a crucial platform for version control and collaboration in software development.

Your presence would be a great honour and inspiration to our students, faculty, and participants. We would be delighted to welcome you and hear your insights.

We look forward to your presence at our event.

Yours sincerely,  
Team Epsilon Pi
